- 2.6.1. For the purpose of CySEC Rules and as specified in the Client Classification Letter, we shall treat you as a Professional Client or as an Eligible Counterparty when conducting business with you. Please read the Client Classification Letter carefully in order to understand your rights as a Professional Client or an Eligible Counterparty, as applicable.
- 2.6.2. If you are categorised as an Eligible Counterparty, you have a right to make a written request for a different categorisation under CySEC Rules, indicating in such request whether additional protection is required for one or more services which we may provide to you. If you make such a request, we are entitled to decline, and we will decline, transacting with you.
- 2.6.3. If you are categorised as a Professional Client, you have the right to make a written request for a different categorisation under CySEC Rules:
- (a) if you are a per se Professional Client and request categorisation as an ECP and we agree to such categorisation, you may be treated as an ECP. However, you will lose the protections afforded by certain regulatory rules. Furthermore, if you make such a request, we are entitled to decline transacting with you; and
- (b) if you request categorisation as a Retail Client, please note that we will decline transacting with you as we do not transact with Retail Clients under this offering.
- 2.6.4. You must keep us informed about any changes that could affect your categorisation.
- 2.6.5. Unless you advise us in writing otherwise, **we assume you are acting as principal and not as agent on behalf of someone else**, and accordingly **Schedule 1** (Agency) shall not apply to you. However, if you are in fact acting as agent on behalf of someone else:
- (a) you must inform us of that fact in writing; and
- (b) **Schedule 1** (Agency) shall apply to you whilst **Section 12.1** (Representations and Warranties) shall not apply to you.
- 2.6.6. **If you are a legal entity or corporate body client you are obliged to inform us of your classification under EMIR REFIT.** It is your responsibility to ensure that the classification information is accurate and we are entitled to rely on this classification information and shall assume that it is accurate. Should your classification change, you are obliged to inform us immediately. For the avoidance of doubt, we, our Associates and any third party service provider will not be liable for any losses incurred by you due to any classification error.

- 2.8. **Applicable Regulations:** This Agreement and all Transactions are subject to Applicable Regulations so that:
- 2.8.1. if there is a conflict between this Agreement and any Applicable Regulations, the latter will prevail;
- 2.8.2. nothing in this Agreement shall exclude or restrict any obligation which we have to you under Applicable Regulations;

- 2.8.4. all Applicable Regulations and whatever we do or fail to do in order to comply with them will be binding on you; and
- 2.8.5. such actions that we take or fail to take for the purpose of compliance with any Applicable Regulations shall not render us or any of our directors, officers, employees or agents liable.
- 2.9. **Warnings:** Margined Transactions carry a high risk, therefore please note the following:
- 2.9.1. You may sustain a total loss of Margin and any additional funds deposited with us to maintain your position in addition to the liability highlighted in **Section 17** (Exclusions, Limitations and Indemnity);
- 2.9.2. If the market moves against your Open Position(s) or margin levels are increased, you may be called upon to pay substantial additional funds on short notice to maintain your Open Position(s) with us;
- 2.9.3. If you fail to comply with a request for additional funds within the time prescribed, if any, we may in our sole discretion liquidate any or all of your Open Positions at a loss, and without notice to you; and
- 2.9.4. Whether you make a profit or loss will depend on fluctuations in the underlying security or commodity which is outside our control.
- 2.10. **Independent Decision:** You must make an independent decision as to whether or not to enter into Transactions with us before doing so, subject to this Agreement and to the following conditions:
- 2.10.1. we do not provide advice, we will not advise on the merits or otherwise of your Transactions;
- 2.10.2. the decision to place a Transaction is yours alone and, in the case of a Margined Transaction, you are responsible for the effect such Margined Transaction might have on your Open Position(s) (please see **Schedule 2** for our general risk disclosure notice for complex products);
- 2.10.3. we deal with you on an execution only basis at all times; and

2.10.4. we shall not be obliged to disclose to you or take into consideration any fact, matter or finding which might involve a breach of duty of confidence to any other person, or which comes to the notice of any of our directors, officers, employees or agents but does not come to the actual notice of the individual or individuals dealing with you.

2.11 **No Appropriateness Assessment:** In accordance with the Applicable Regulations and where you have been designated as a Professional Client, Magnasale is entitled to assume that you have the necessary experience and knowledge in order to understand the risks involved in relation to those particular investment services or Transactions, or types of Transactions and products, for which the client is classified as a Professional Client.

In accordance with the Applicable Regulations and where you have been designated as an Eligible Counterparty, Magnasale is not required to, and it will not conduct, any appropriateness assessment in respect of you.

2.12 **Order Execution Policy:** Where you are classified as a Professional Client, we execute orders in accordance with our Order Execution Policy, a copy of which has been provided to you. Our Order Execution Policy details the circumstances in which we owe best execution to you.

You are required to consent to our use of our Order Execution Policy before we are able to act for you, which consent you will be deemed to have given by signifying acceptance of the Agreement.

As explained more fully in our Order Execution Policy, best execution is the requirement to take all sufficient steps to obtain the best possible result when either executing Transactions with you or using other Associates or brokers to execute Transactions with you, taking into account the following execution factors:

- (a) price;
- (b) costs;
- (c) speed;
- (d) the likelihood of execution and settlement;
- (e) size;
- (f) the nature of the Transaction; and
- (g) any other consideration relevant to the execution.

As explained in our Order Execution Policy, we have prioritised these execution factors depending on the particular asset classes/Transactions. We have also explained therein the circumstances in which best execution would not apply (e.g. you provide us with specific instructions, we act as your counterparty and you have no legitimate reliance on us for best execution).

We monitor the effectiveness of our Order Execution Policy on a regular basis to ensure that we consistently achieve the best results for you.

As detailed in our Order Execution Policy, Magnasale is your sole execution venue.

2.13 **No Aggregation:** Please note that we do not aggregate client orders with orders of other clients. Furthermore, we do not aggregate client orders with our own orders or those of an Associate.

2.14 **Client Limit Orders:** Please note we do not presently transact in shares which are admitted to trading on a Regulated Market or traded on a Trading Venue. As a result, we do not require your consent to not publish unexecuted limit orders.

2.15 **Conflicts of Interest:** Situations can arise where our interests, or those of our staff, conflict with your interests or where your interests conflict with those of our other clients.

Our Conflicts of Interest Policy is a policy we maintain setting out the circumstances which may constitute or may give rise to a conflict of interest, the procedures we will follow and the measures we adopt to prevent or manage such conflicts.

Whilst we take all appropriate steps to identify and to prevent or manage conflicts of interest, where we are not reasonably confident that our arrangements are sufficient to ensure that risk of damage to your interests will be prevented, we will disclose to you the nature of the conflict and the steps that we have taken to mitigate the risk before undertaking business with you.

At your request, we will provide to you a copy of our Conflicts of Interest Policy.

2.16 **Reports:** We will provide you with regular reports. Such reports will be provided to you in a durable medium (including by way of email or by any other applicable electronic means) in accordance with the Applicable Regulations.

3. SCOPE AND APPLICATION

3.1. **Commencement:** This Agreement supersedes any previous agreement between you and us on the same subject matter and it takes effect when you signify acceptance of these Terms of Business by (i) signing the Notice Letter; (ii) using Online Systems and/or External Platform, or (iii) entering into a Transaction with us (whichever is earlier).

Please note that it is your responsibility to sign and return to us a copy of the Notice Letter before using Online Systems and/or External Platform or before placing an order or otherwise entering into a Transaction with us. Where you have failed to sign and return to us a copy of the Notice Letter before you use Online Systems and/or External Platform or before you place an order or otherwise enter into a Transaction with us, we will be entitled to assume that you have signified acceptance of these Terms notwithstanding such failure.

For the avoidance of doubt, by signifying acceptance of these Terms, you will have signified acceptance of this Agreement as a whole (which includes these Terms of Business and the Accompanying Documents, each as amended, restated or supplemented from time to time).

You acknowledge that you have not relied on, or been induced to enter into this Agreement by, a representation other than those expressly set out in this Agreement.

With respect to any Transaction, this Agreement shall apply in addition to any Additional Agreement(s). In the event of any conflict between the provisions of this Agreement and the Additional Agreement(s), the terms of the Additional Agreement(s) shall prevail.

You acknowledge that you have not relied on or been induced to enter into this Agreement by a representation other than those expressly set out in this Agreement. In particular, there are no conditions, representations or other terms, express or implied, that are binding on us except as specifically stated in this Agreement or in the Additional Agreement(s).

- 3.2. **Scope of this Agreement:** This Agreement sets out the basis on which we provide services to you, subject always to **Section 3.1** (Commencement). This Agreement governs each Transaction outstanding between us. Subject to Applicable Regulations and this Agreement, there shall be no restrictions on the Transactions in respect of which we may deal with you.
- 3.3. **Market Action:** If a Market (or intermediate broker or agent, acting at the direction of, or as a result of action taken by, a Market) or regulatory body takes any action which affects a Transaction, then we may take any action which we, in our reasonable discretion, consider desirable to correspond with such action or to mitigate any loss incurred as a result of such action. Any action shall be binding on you. If a Market or a regulatory body makes an enquiry in respect of any of your Transactions, you agree to fully co-operate with us and to promptly supply information requested in connection with the enquiry.
- 3.4. **Charges and Taxes:** You shall pay our charges as agreed with you from time to time in writing and all of which shall form part of your Agreement with us. Unless otherwise stated, you will be responsible for the following:
 - 3.4.1. any taxes imposed by any competent authority on any Account opened or Transaction effected by or cleared by you;
 - 3.4.2. any fees or other charges imposed by a Market or any clearing organisation;
 - 3.4.3. interest on any amount due to us at the rates then charged by us (and which are available on request); and
 - 3.4.4. any other value added or other applicable Taxes of any of the foregoing, including any withholding tax.
- 3.5. **Additional Costs:** You should be aware of the possibility that other taxes or costs may exist that are not paid or imposed by us such as costs or fees applied by banks or other financial institutions.
- 3.6. **Payments:** Other than as expressly specified in respect of a particular Transaction (including any applicable Additional Agreement(s)), all payments made to us under this Agreement shall be made in same day funds in such currency as we may from time to time specify, and to the bank account designated by us for such purposes. All such

payments shall be made by you without set-off or counterclaim. All such payments shall be made without any deduction and free and clear of and without deduction for or on account of any Taxes, except to the extent that you are required by law to make payment subject to Taxes. If any Tax or amounts in respect of Tax must be deducted, or any other deductions must be made, from any amounts payable or paid by you under this Agreement, you shall pay such additional amounts as may be necessary to ensure that we receive a net amount equal to the full amount we would have received had payment not been subject to Tax or such other deductions.

We have the right to not accept funds deposited or cancel a deposit. In such circumstances we will remit the funds back to the bank account (as applicable) from which they were initially received.

If we receive any amounts in respect of your obligations under this Agreement in a currency other than in which the amount was payable you agree that we may convert that amount into the currency in which it was payable and deduct the costs of doing so from that amount (i.e. the cost of conversion). We will perform such conversion at a rate of exchange reasonably determined by us in accordance with the prevailing market rates.

- 3.7. **Remuneration and Sharing of Charges:** As specified in our Conflicts of Interest Policy, we may receive remuneration from, or share charges with, an Associate or other third party in connection with Transactions executed with you.
- 3.8. **Third Party Payments:** In respect of any Transaction which we enter into with you, unless expressly affirmatively agreed between us in writing (including by way of the applicable Additional Agreement(s) (if any)):
 - 3.8.1. we reserve the right not to comply with any request by you to make a payment or a delivery to a third party; and
 - 3.8.2. where we become aware that funds have been paid to us or a delivery made to us other than by you, we reserve the right to refuse such payment or delivery.
- 3.9. **Trade Data:** You acknowledge that we own any and all trade data generated from the trading conducted by you with us (the "Trade Data"); subject to any and all rights or obligations under this Agreement, the Trade Data shall not be used in a manner that (a) allows access by a third party to any personally identifiable information about you or (b) is manifestly detrimental to any of your interests. We shall retain ownership of the Trade Data and may license the use thereof, in our sole discretion, to our Associates or to other persons. You will not acquire any such right, title or interest and to the extent that such right, title or interest therein first vests in you by operation of law or otherwise you hereby irrevocably and unconditionally assign to us throughout the world without reservation or encumbrance all such right, title and interest in and to all such Trade Data, and improvements to and modifications of them without the requirement of further payment.

4. NO RIGHT TO CANCEL; ACCOUNT SUSPENSION AND INACTIVE ACCOUNT

4.1. **No Right to Cancel:** You should note that you are not entitled to cancel this Agreement but you can terminate it as set out in **Section 16** (Termination without Default).

4.2. **Account Suspension:** We may, in our sole discretion but we are not obliged to, suspend your Account(s) in the circumstances set out in this **Section 4.2**. We are not required to give advance notice to you of the exercise of our rights under this Section, but we will inform you as soon as practicable that we have exercised such rights. Without prejudice of our termination rights, the circumstances in which we can exercise our rights under this Section are as follows, if:

- (a) we have reasonable concerns in relation to a suspected breach by you of this Agreement or the Applicable Regulations or the AML Laws (the latter one as defined on **Section 8.4**); or
- (b) (when you are an individual) we have reasonable grounds to think that you have died or become a patient under mental health legislation; or
- (c) you have not supplied us with the information we request in relation to regulatory requirements, credit or identity checks; or
- (d) any warranty given by you under this Agreement is not correct or we reasonably think it is not correct; or
- (e) we reasonably believe you will not pay us on time any amount you may owe us; or
- (f) we have other good grounds for doing so.

If we suspend your Account(s):

- (a) Open Positions that were in place prior to suspension will not be affected (subject to any other rights we have under this Agreement);
- (b) during the suspension, you will not be permitted to place any new Open Positions or place any Orders, except in order to close existing Open Positions or to execute Orders in place prior to suspension that when executed increase your available Funds. Orders that on execution would reduce available Funds will not be executed.

When we suspend your Account(s), we will investigate the relevant circumstances. Unless prohibited by law or the Applicable Regulations, we will then inform you of our decision.

Depending on our decision, we will then either:

- (a) re-activate your Account(s). If we reactivate your Account(s), we may prior to doing so require you to comply with such requirements as we consider fit in relation to your Account(s). If we re-activate your Account, any Orders (in place prior to suspension and that were not executed during suspension) will remain in place; or
- (b) Terminate this Agreement.

4.3. **Inactive Account:** If you have not placed a trade, opened or closed positions or made a deposit into the Account(s) over a consecutive period of ninety (90) days or more and you are not actively paying monthly and/or quarterly commissions or fees for Market Data, you acknowledge and agree that:

- (a) we may (at our sole discretion but we are not obliged to) classify your account as inactive or dormant ("**Inactive Account**");
- (b) unless prohibited by Applicable Regulations, we may charge a monthly service fee of USD 25, or currency equivalent, whilst the Account remains inactive, for maintenance, administration, and compliance management of such Inactive Account ("**Inactivity Fee**");

9. ONLINE SYSTEMS AND EXTERNAL PLATFORM TERMS

9.1. Online Systems and External Platform terms are set out in **Annex 1** (Online Systems and External Platforms) to this Agreement.

10. CLIENT MONEY

10.1. Subject to **Section 10.11** we shall treat money held by Magnasale on your behalf as Client Money in accordance with the CySEC Rules. Under CySEC Rules, we keep and maintain books and accounting records of the Client Money held on behalf of our Clients.

10.2. The provisions in this Agreement related to Client Money, are subject to the terms and conditions of the banks and credit institutions with which such Client Money is held and through which such funds are transferred.

10.3. We co-operate with various credit institutions. A complete list of the credit institutions with which we co-operate can be found at our Website or, where applicable, at the relevant Online Systems.

10.4. We will endeavour to hold Client Money on your behalf with authorised regulated banks or credit institutions in the Republic of Cyprus and the European Union, however we may also hold your money outside the European Union. The Client Money will be kept in bank accounts denominated as Client Money and clearly segregated from Magnasale's own funds. Client Money deposited may be kept in one or more omnibus accounts with any authorised regulated bank or credit institution which we will specify from time to time and will be held in our name denominated as Client Money as set out above. The legal and regulatory regime applying to any such bank or payment processing company outside the European Union will be different from the legal and regulatory regime in Cyprus and the European Union and in the event of the insolvency or any other analogous proceedings in relation to that bank or payment processing company, your money may be treated differently from the treatment which would apply if the money was held with a bank in an account in Cyprus and the European Union. We will not be liable for the insolvency, acts or omissions of any third party referred to in this clause or for any loss suffered as a result of any shortfall in any omnibus account.

10.5. We deposit Client Money held on behalf of our clients in an account and/or accounts opened with a bank or receive funds through payment processing companies, provided that we have exercised all due care, skill and diligence in the selection, appointment and periodic review of such banks and payment processing companies and of the arrangements for the holding and safekeeping of Client Money which they have in place. With regards to the deposit of Client Money, in the event we do not deposit Client Money with a central bank, we exercise all due care, skill and

diligence in the selection, appointment and periodic review of the credit institution, where the funds are placed and the arrangement for the holding of those funds. We shall take into account the expertise and reputation of the bank/credit institution as well as the legal and regulatory requirements or market practices related to the holding of Client Money that could adversely affect the protection afforded to the Client Money.

10.6. We shall take all necessary measures in order to ensure that any Client Money deposited with a bank are identifiable separately from the cash belonging to Magnasale by means of differently titled accounts on the books of the bank(s) or other equivalent measures that achieve the same level of protection. Similarly, as per the requirements of the Applicable Laws and Regulations, we, on receiving any Client Money, shall promptly place those funds into one or more accounts denoted as "clients' accounts". We apply the same principles for payment processing companies.

10.7. Where necessary, we shall apply diversification as to where clients' money is held, through the maintenance of accounts with several third party banks.

10.8. Magnasale may hold Client Money in omnibus accounts with financial and credit institutions. In this respect, you are hereby warned that there is a risk of loss emanating from the use of omnibus accounts in financial or credit institutions. In such case it may not be possible to distinguish if the particular Client Money is held by a certain financial or credit institution. Omnibus accounts may also hold other types of risks including legal, liquidation risk, haircut risk, third party risk, etc.

10.9. We are not responsible for the insolvency, acts or omissions of any bank, although we will take reasonable care when choosing which bank to open a Client Money account.

10.10. In the event of insolvency or any other analogous proceedings in relation to a financial or credit institution (including payment processing company) where Client Money is held, Magnasale (on behalf of the client) and/or the Client may only have an unsecured claim against the financial or credit institution, and the Client will be exposed to the risk that the money received by Magnasale from the financial or credit institution, is insufficient to satisfy the claims of the Client with claims in respect of the account.

10.11. Notwithstanding Sections 10.1 to 10.10 above, you and us may in a separate agreement establish that all the money you transfer to us (or part thereof) is not subject to the Client Money Rules, in which case:

10.11.1. we will treat such money as a transfer of full ownership of money to us for the purpose of securing or otherwise covering your present, future, actual, contingent or prospective obligations, and we will not hold such money in accordance with the Client Money Rules;

10.11.2. any money received by us from you for your Account under the said agreement, subject to all other provisions of this Agreement will be owed by us to you;

10.11.2.1. because full ownership of the money is transferred to us, you no longer have a proprietary claim over

the money, and we can deal with it in our own right;

10.11.2.2. in the event of our insolvency you will rank as a general or unsecured creditor of Magnasale in respect of such money and you will have no rights or claim in relation to such money, save for those set out in applicable laws; and

10.11.2.3. if we have closed all Accounts you have had with us and you have paid to us in full all amounts you owe us and have no further present or future obligations to us, we will transfer to you an amount equal to any money you paid to us for your Account that remains after all amounts you owe us (under this Agreement) have been paid and deducted (including in relation to all Accounts you have had with us).

10.12. **Securities Financing Transactions:** As specified in **Section 10.11**, when such section applies, we will have full title ownership of all funds transferred to us. As a result, you agree that we may enter into arrangements for securities financing transactions in respect of Financial Instruments held by us, including without limitation where such funds are credited to an omnibus account held by us or a third party or otherwise use Financial Instruments held in such an account for our own account or for the account of another client.

10.13. **Manufactured Income:** Any manufactured income in respect of any Transaction executed with you, and any manufactured rights in respect of any Transaction executed with you, will be accounted for to you and held to your instructions, subject to any deductions (including with respect to Tax) and all your obligations to us being first satisfied.

10.14. **Return of Funds:** Subject to all your obligations to us being first satisfied, any funds that have not been committed for any Transactions and/or any Open Positions will be returned to you upon receipt of written instructions from you to us using the prevailing procedure in place by us from time to time and as communicated to you by us from time to time.

11. MARGINING ARRANGEMENTS

11.1. **Margin Arrangements:** You agree to transfer to us such sums by way of margin ("**Margin**") as determined pursuant to **Annex 2** (Margining). Margin requirements may be set and varied from time to time at our discretion without prior notice to you including without limitation subsequent variation of any Margin rates set at the time that a Transaction is opened.

11.2. **Form of Margin:** Unless otherwise agreed, Margin must be paid in cash. The currency of the cash Margin you pay to us shall be the currency of the relevant underlying Transaction (if applicable) or as we may in our discretion reasonably decide from time to time. You are required at all times to maintain in your Account sufficient Funds to meet all Margin requirements.

11.3. **Margin Call:** We are not under an obligation to keep you informed of your Account balance and the Margin required as it is your responsibility to monitor any shortfalls. However, we may at any time notify you, that unless you deposit into your Account(s) such additional Margin to meet our Margin requirements, we may liquidate any or all Open Positions without further notice to you ("**Margin Call**").

Once issued, you must immediately comply in full with the Margin Call by way of cleared, same day funds regardless of any currency value fluctuations and irrespective of any recovery in the market value of the subject Open Positions. You may not increase or establish any new Open Positions while any Margin Call remains unsatisfied. Notwithstanding the aforementioned, we are not obliged to make any Margin Call to you or within any specific time period.

11.4. If you receive a Margin Call from us, it may be made at any time by telephone, telephone answering machine message, voice mail, letter, email, Online Systems and/or External Platforms or any other means of electronic communication. Therefore, you must notify us immediately and provide alternate contact details to ensure that Margin Calls can be made if you will not be contactable at your usual contact details provided. Where we do make a Margin Call to you, in no way does this waive our rights to liquidate your Transactions as stipulated in **Sections 11.6** and **11.7**.

11.5. Margin does not represent the total extent of your financial liability to us as you are liable for all losses in respect of any Transaction and any other costs or payments due under this Agreement. Furthermore, you acknowledge and agree that any waiver of Margin or failure to make a Margin Call cannot be relied upon, or treated as, an act, omission or representation as to the current value of any of your Open Positions with us.

11.6. **Close-out:** In the event there is insufficient Margin on your Account or in the event that the deposited Margin is not sufficient to satisfy the required Margin, as determined by us and in accordance with **Section 11.1** (Margin Arrangements), we may at our sole discretion choose to close or terminate any or all your Open Positions immediately without notice to you.

11.7. As specified in **Section 13.1.1** (Events of Default) and without prejudice to our rights pursuant to **Section 11.3** (Margin Call) and **Section 11.6** (Close-out) to liquidate, close or terminate your Open Positions immediately without notice:

11.7.1. your failure to comply with a Margin Call will constitute an Event of Default after the expiry of the applicable grace period; and/or

11.7.2. the entry into any Transaction with you which results in there being insufficient Margin to cover any actual or anticipated losses or liabilities in connection with your Account will constitute an Event of Default and we may at our discretion exercise our right in **Section 13** (Events of Default), regardless of whether or not there has been a Margin Call.

11.8. **Set-off on Default:** If there is an Event of Default or this Agreement terminates, we may set-off the balance of cash Margin owed by us to you against your obligations (as reasonably valued by us) to us or to any of our Associates. The net amount, if any, payable between us following such

set-off, shall take into account the Liquidation Amount payable under **Section 14** (Netting).

- 11.9. **Security Interest:** As a continuing security for the performance of the Secured Obligations under or pursuant to this Agreement, you grant to us, with full title guarantee, a first fixed security interest in all non-cash Margin now or in the future provided by you to us or to our order or under our direction or control or that of a Market or otherwise standing to the credit of your Account under this Agreement or otherwise held by us or our Associates or our nominees on your behalf.
- 11.10. **Further Assurance:** You agree to execute such further documents and to take such further steps as we may reasonably require for perfecting our Security Interest over, be registered as owner of or obtain legal title to the Margin, secure further the Secured Obligations, enable us to exercise our rights or to satisfy any Market requirements.
- 11.11. **Substitution:** You may not withdraw or substitute any property subject to our Security Interest without our consent.
- 11.12. **Negative Pledge:** You undertake neither to create nor to have outstanding any Security Interest whatsoever, nor to agree to assign or transfer, any of the cash or non-cash Margin transferred to us, except a lien routinely imposed on all securities in a clearing system in which such securities may be held.
- 11.13. **Power to Charge:** You agree that we may, to the extent that any of the Margin constitutes "financial collateral" and this Agreement and your obligations hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Directive (Directive 2202/47/EC of the European Parliament and of the Council of 6 June 2002 on financial collateral arrangements), free of any adverse interest of yours or any other person, grant a security interest over margin provided by you to cover any of our obligations to an intermediate broker or Market, including obligations owed by virtue of the positions held by us or other of our clients.
- 11.14. **Power of Appropriation:** To the extent that any of the Margin constitutes "financial collateral" and this Agreement and your obligations hereunder constitute a "security financial collateral arrangement" under the Regulations, we shall have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Obligations. For this purpose, you agree that the value of such financial collateral so appropriated shall be the amount of the Margin, together with any accrued but un-posted interest, at the time the right of the appropriation is exercised. The parties further agree that the method of valuation provided for in this Agreement shall constitute a commercially reasonable method of valuation for the purpose of the Applicable Regulations.
- 11.15. **General Lien:** In addition, and without prejudice to any rights to which we may be entitled under this Agreement or any Applicable Regulations, we shall have a general lien on all property held by us or our Associates or our nominees on your behalf until the satisfaction of the Secured Obligations.

12. REPRESENTATIONS, WARRANTIES AND COVENANTS

12.1. **Representations and Warranties:** You represent and warrant to us as of the date of each Transaction that:

14. NETTING

14.1. **Rights on Default:** On the occurrence of an Event of Default, we may exercise our rights under this **Section 14**, except that, if **Section 14.13** (Automatic Termination) applies, in the case of the occurrence of any Event of Default specified in **Sections 13.1.3 or 13.1.4** (Event of Default) (each a "**Bankruptcy Default**"), the automatic termination provision of this **Section 14** shall apply.

14.2. **Liquidation Date:** At any time following the occurrence of an Event of Default, we may, by notice to you, specify a date (the "**Liquidation Date**") for the termination and liquidation of Transactions in accordance with this Section.

14.3. **Automatic Termination:** Notwithstanding **Section 14.2** (Liquidation Date) where **Section 14.13** (Automatic Termination) applies, the occurrence of any Bankruptcy Default shall automatically constitute a Liquidation Date, without the need for any notice by us and the provisions of the following sub-sections shall then apply.

14.4. **Calculation of the Liquidation Amount:** Upon the occurrence of a Liquidation Date:

14.4.1. neither of us shall be obliged to make any further payments or deliveries under any Netting Transactions which would but for this **Section 14**, have fallen due for performance on or after the liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount;

14.4.2. We shall (on, or as soon as reasonably practicable thereafter, the Liquidation Date) determine (discounting if appropriate), in respect of each Netting Transaction referred to in **Section 14.4.1** the total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency specified by us to you, failing any such specification, USD (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position) as a result of the termination, pursuant to this Agreement, of each payment or delivery which would otherwise have been required to be made under such Netting Transaction (assuming satisfaction of each applicable condition precedent and having due regard, if appropriate, to such market quotations published on, or official settlement prices set by the relevant Market as may

be available on, or immediately preceding, the date of calculation); and

14.4.3. we shall treat each cost or loss to us, determined as above, as a positive amount and each gain by us, as so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the “**Liquidation Amount**”).

14.5. **Payer:** If the Liquidation Amount determined pursuant to this **Section 14** is a positive amount, you shall pay it to us and if it is a negative amount, we shall pay it to you. We shall notify you of the Liquidation Amount, and by whom it is payable, immediately after the calculation of such amount.

14.6. **Other Transactions:** Where termination and liquidation occurs in accordance with this **Section 14**, we shall also be entitled, at our discretion, to terminate and liquidate, in accordance with the provisions of this **Section 14**, any other Transactions entered into between us which are then outstanding.

14.7. **Payment:** Unless a Liquidation Date has occurred or has been effectively set, we shall not be obliged to make any payment or delivery scheduled to be made by us under a Netting Transaction for as long as an Event of Default or an event which may become (with the passage of time, the giving of notice, the making of any determination hereunder, or any combination thereof) an Event of Default with respect to you has occurred and is continuing.

14.8. **Base Currency:** For the purpose of any calculation hereunder, we may convert amounts denominated in any other currency into the Base Currency at such a rate prevailing at the time of the calculation as we shall reasonably select.

14.11. **Single Agreement:** This Agreement, the particular terms applicable to each Netting Transaction, and all amendments to any of them shall together constitute a single agreement between us. We both acknowledge that all Netting Transactions entered into on or after the commencement of this Agreement takes effect are entered into in reliance upon the fact that the Agreement and all such terms constitute a single agreement between us.

14.12. **Additional Agreements:** Subject to **Section 14.6** (Other Transactions), the provisions of this **Section 14** shall not apply to any Transaction which is subject to liquidation and termination under an Additional Agreement. However, any sum resulting from a liquidation and termination under an Additional Agreement, may be set-off against the Liquidation Amount.

14.13. **Automatic Termination:** Automatic termination shall apply to any party whose centre of main interest is in a jurisdiction in respect of which the most recent legal opinion provided (by reference to the time at which the rights and obligations

under this **Section 14** apply) to us by the relevant industry association states that automatic termination is recommended.

15. RIGHTS ON DEFAULT

15.1. On an Event of Default or at any time after we have determined, in our absolute discretion, that you have not performed (or we reasonably believe that you will not be able or willing in the future to perform) any of your obligations to us, in addition to any rights under **Section 14** (Netting), we shall be entitled to without prior notice to you:

15.1.1. instead of returning to you investments equivalent to those credited to your Account, to pay to you the fair market value of such investments at the time we exercised such rights; and/or

15.1.2. to sell such of your investments as are in our possession or in the possession of any nominee or third party appointed under or pursuant to this Agreement, in each case as we may in our absolute discretion select and upon such terms as we may in our absolute discretion think fit (without being responsible for any loss or diminution in price) in order to realise funds sufficient to cover any amount due by you hereunder; and/or

15.1.3. to close out, replace or reverse any Transaction, buy, sell, borrow or lend or enter into any other Transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss or liability under or in respect of any of your contracts, positions or commitments.

16. TERMINATION WITHOUT DEFAULT

16.1. **Termination:** Unless required by Applicable Regulations, either party may terminate this Agreement (and the relationship between us) by giving **three (3) months'** written notice of termination to the other, or as agreed between us in writing under separate terms. If any termination notice is given (by you or us) you will only be able to trade insofar as necessary to close your Account. At any time after the termination of this Agreement (including the same date as termination date), we may (but are not obliged to), without notice to you, close out any or all of your Open Position(s).

In no circumstance, shall we have liability for losses suffered by you or any third party for any (a) indirect, special or consequential damage, (b) loss of profits, (c) loss of goodwill, (d) loss of business opportunity arising under or in connection with this Agreement, whether arising out of negligence, breach of contract, misrepresentation or otherwise, including any act or omission arising out of or in connection with any error in any instruction given by you, or on any instruction which is or reasonably appears to us to be from you. Nothing in this Agreement will exclude or restrict any duty of liability we may have to you under the regulatory

system (as defined in CySEC Rules), which may not be excluded or restricted thereunder.

17.5. **Responsibility for Orders:** You will be responsible for all Orders entered on your behalf via Online Systems and/or External Platform and you will be fully liable to us for the settlement of any Transaction arising from it.

You shall not assign, charge or otherwise transfer or purport to assign, charge or otherwise transfer your rights or obligations under this Agreement or any interest in this Agreement, without our prior written consent, and any purported assignment, charge or transfer in violation of this **Section 18.6** shall be void. We may delegate the performance of any of our obligations to any person on such terms as we think appropriate, such delegation shall not affect our obligations under this Agreement. We shall be entitled to assign all or part of our benefits or rights under this Agreement.
- 18.7. **Joint and Several Liability:** If you are a partnership, or otherwise comprise more than one person, your liability under this Agreement shall be joint and several. In the event of the death, bankruptcy, winding-up or dissolution of any one or more of such persons, then (but without prejudice to the above or our rights in respect of such person and his successors) the obligations and rights of all other such persons under this Agreement shall continue in full force and effect.
- 18.8. **Our Records:** Our records, unless shown to be wrong, will be evidence of your dealings with us in connection with our services. You will not object to the admission of our records as evidence in any legal proceedings because such records are not originals, are not in writing or are documents produced by a computer. You will not rely on us to comply with your record keeping obligations, although records may

be made available to you on request at our absolute discretion.

- 18.9. **Your Records:** You agree to keep adequate records in accordance with Applicable Regulations to demonstrate the nature of Orders submitted and the time at which such Orders are submitted.
- 18.10. **Complaints:** You hereby acknowledge the Clients Complaints Handling Policy of Magnasale which can be found at our Website.

In addition to the aforementioned procedure for communication of complaints to us and complaints handling by us, you also have the right to complain to CySEC (at <http://www.cysec.gov.cy/en-GB/complaints/how-to-complain>). You may be eligible to refer a complaint about our performance under this Agreement to the Financial Ombudsman, information and rules relating to the Financial Ombudsman can be accessed on <http://www.financialombudsman.gov.cy/> or you may or seek redress through an ADR (Alternative Dispute Resolution) Mechanism or the Court System.

If you are not satisfied with our response, or we have rejected your complaint or you do not have answer from us within three months, you may check with the office of the Financial Ombudsman in case you are eligible to file a complaint with them and seek mediation for possible compensation.

In the case in which your complaint is one which can be handled by the Financial Ombudsman, you must contact the Financial Ombudsman within four months of receiving a final response from us in relation to a complaint or from the expiry of the deadline within which you should have received our response, otherwise the Financial Ombudsman will not be able to deal with your complaint.

- 18.11. **Third Party Rights:** This Agreement shall be for the benefit of and binding upon us both and our respective successors and assigns. You shall not assign, charge or otherwise transfer or purport to assign, charge or otherwise transfer your rights or obligations under this Agreement or any interest in this Agreement, and any purported assignment, charge or transfer in violation of this **Section 18.11** shall be void.
- 18.12. **Time of Essence:** Time shall be of the essence in respect of all your obligations under this Agreement (including any Transaction).
- 18.13. **Rights and Remedies:** The rights and remedies provided under this Agreement are cumulative and not exclusive of those provided by law. We shall be under no obligation to exercise any right or remedy either at all or in a manner or at any time beneficial to you. No failure by us to exercise or delay by us in exercising any of our rights under this Agreement (including any Transaction) or otherwise shall operate as a waiver of those or any other rights or remedies. No single or partial exercise of a right or remedy shall

prevent further exercise of that right or remedy or the exercise of another right or remedy.

18.14. **Set-off:** Without prejudice to any other rights to which we may be entitled or any limitations imposed by Applicable Regulations, we may at any time and without notice to you set-off any amount (whether actual or contingent, present or future) owed by you to us against any amount (whether actual or contingent, present or future) owed by us to you. For these purposes we may ascribe a commercially reasonable value to any amount which is contingent or which for any other reason is unascertained.

18.15. **Partial Invalidity:** If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired.

19. GOVERNING LAW AND JURISDICTION

19.1. **Governing Law:** A Transaction which is subject to the Rules of a Market shall be governed by the law applicable to it under those Rules. Subject thereto, this Agreement shall be governed by and construed in accordance with the laws of the Republic of Cyprus.

19.2. **Jurisdiction:** Subject to Applicable Regulations, each of the parties irrevocably:

19.2.1. agrees that the courts of Cyprus shall have jurisdiction to settle any suit, action or other proceedings relating to this Agreement ("**Proceedings**") and irrevocably submits to the

jurisdiction of such courts (provided that this shall not prevent us from bringing an action in the courts of any other jurisdiction); and

19.2.2. waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court and agrees not to claim that such Proceedings have been brought in an inconvenient forum or that such court does not have jurisdiction over it.

19.3. **Waiver of Immunity and Consent to Enforcement:** You irrevocably waive to the fullest extent permitted by applicable law, with respect to yourself and your revenue and assets (irrespective of their use or intended use) all immunity on the grounds of sovereignty or other similar grounds from (a) suit, (b) jurisdiction of any courts, (c) relief by way of injunction, order for specific performance or for recovery of property, (d) attachment of assets (whether before or after judgment) and (e) execution or enforcement of any judgment to which you or your revenues or assets might otherwise be entitled in any proceedings in the courts of any jurisdiction and irrevocably agree that you will not claim any immunity in any Proceedings. You consent generally in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings, including, without limitation, the enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such Proceedings.

19.4. **Cooperation for proceedings:** If any action or proceeding is brought by or against us in relation to this Agreement or arising out of any act or omission by us required or permitted under this Agreement, you agree to co-operate with us to the fullest extent possible in the defence or prosecution of such action or proceeding.

SCHEDULE 1 - AGENCY

1. APPLICATION AND SCOPE

- 1.1. **Scope of these Terms:** These terms set out the basis on which we will provide the services referred to in the Agreement to you where you are acting as agent for a Counterparty. Where you are acting for your own account the terms set out in this **Schedule 1** shall not apply.
- 1.2. **Notification:** You will notify us before placing any Order on behalf of a Counterparty that you are acting as agent for that Counterparty and inform us of the identity, address and any other details which we require in respect of each Counterparty to enable us to form a credit and counterparty risk assessment in respect of any Transaction.
- 1.3. **Instructions:** You may give us oral and/or written instructions and Orders. 3.2.7. Any information which you provide or have provided to us in respect of your or the Counterparty's financial position, domicile, or other matters is accurate and not misleading in any material respect;

4.2. **Credit or Financial Institution:** If you are EU regulated or financial institution or a regulated financial sector firm from a FATF country (i.e. a member of the Financial Action Task Force), we shall deal with you on the understanding that you are complying with EU regulations (or the local equivalent) concerning money-laundering and that evidence of the identification of any Counterparty will have been obtained and recorded under procedures maintained by you. We may ask you for copies of these procedures from time to time.

5. MARGINING ARRANGEMENTS AND DISCHARGE

5.1. **Margin:** References to "you" in **Section 11** (Margining Arrangements) of this Agreement shall all be deemed to be references to you acting as agent on behalf of each Counterparty in respect of which you provide margin to us from time to time.

5.2. **Discharge:** Where under any term any payment or other performance (including the delivery of securities or any other property) is due from us, it shall be a discharge of our obligation to make such payment or performance to you notwithstanding that any Counterparty shall be interested (whether beneficially or otherwise) in such payment or performance.

6. NETTING

- 6.1. **Events of Default:** References to “Party” in **Section 14** (Netting) of this Agreement shall be deemed to be references to you acting on your own behalf and to each Counterparty. If any Event of Default occurs in respect to you or your Counterparty we shall be entitled to exercise our rights under the **Section 14** (Netting) of this Agreement in accordance with the following sentences of this term and the expression “Defaulting Party” shall be construed accordingly. In respect of an Event of Default which occurs in respect to you (as opposed to any Counterparty), our rights under the **Section 14** (Netting) of this Agreement shall apply separately in respect of each Counterparty Account. “**Counterparty Account**” means as defined in **Section 1.6** (Counterparty Accounts) of this **Schedule 1**.

8.2. Other Terms:

All other capitalised terms in this **Schedule 1** shall have the meaning given to them in **Section 1** (Interpretation and Glossary) of this Agreement.

SCHEDULE 2 - GENERAL RISK DISCLOSURE NOTICE FOR COMPLEX PRODUCTS

This general risk disclosure notice for complex products ("Notice") is provided to you in compliance with the Applicable Regulations. Please also refer to our Website risk disclosure notice which for this effect will be also considered part of this Agreement. This Notice does not disclose all the risks and other significant aspects of derivative products. You should not deal in derivatives unless you fully understand the nature of the transaction you are entering into and the extent of your exposure to risk. You should also be satisfied that the transactions to be entered into are suitable for you in the light of your circumstances and financial position.

For the purpose of this Notice, any reference to "Online Systems" shall also include any External Platform(s) unless the context requires otherwise.

Certain strategies such as "spread" position or a "straddle" may be as risky as a simple "long" or "short" position. Whilst derivative instruments can be utilised for management of risk, some investments are unsuitable for many investors. Different Financial Instruments involve different levels of exposure to risk, and in deciding whether to trade in such Financial Instruments you should be aware of the following points:

1. CONTRACT FOR DIFFERENCE ("CFD")

CFDs can be linked to futures which can be entered into in relation to the FTSE-100 index or any other index or share as well as currency; however, unlike other futures and options, CFDs can only be settled in cash. Investing in a CFD carries risks similar to investing in other derivative products, and you should be aware of these. Transactions in CFDs may also have a contingent liability and you should be aware of the complications of this as set out in the below sections. For a detailed risk disclosure for CFDs please refer to **Schedule 3** below.

Foreign Markets involve different risks from Markets in Cyprus and in some cases risks will be greater. The potential for profit or loss from transactions in foreign markets or in foreign currency will be affected by fluctuations in foreign exchange rates and an exposure to enhanced risks not necessarily reflecting any risks present on domestic markets. Such enhanced risks include the risks of political or economic policy charges in a foreign media, which may substantially and permanently alter the condition terms, marketability or a price of a foreign currency.

2. PRECIOUS METALS, COMMODITIES, ROLLING SPOT FOREX OR CURRENCY OPTIONS

Investing in precious metals, commodities, Rolling Spot Forex and/or currency options carries similar risks as investing in other derivative products and you should be aware of these risks. Transactions in precious metals, commodities, Rolling Spot Forex and/or currency options may also have a contingent liability and you should be aware of this as set out in the below sections.

In addition to the standard industry disclosures contained in this Agreement, you should be aware that margined precious metals, commodities and currency trading are some of the riskiest forms of investment available in the financial markets, and are only suitable for the sophisticated individuals and institutions. Given the possibility of losing an entire investment, speculation in the precious metals, commodities or foreign exchange market should only be conducted with risk capital funds that if lost will not significantly affect your personal or institution's financial wellbeing.

If you have pursued only conservative forms of investments in the past, you may wish to study precious metals, commodities or currency trading further before continuing an investment of this nature. If you wish to continue with your investment, you acknowledge that the funds you have committed are purely risk capital and loss of your investment will not jeopardise your style of living nor will it detract from your future retirement program. Additionally, you fully understand the nature and risks of precious metals, commodities and currency investments, and your obligations to others will not be neglected should you suffer investment losses.

3. FOREIGN MARKETS

4. RISK REDUCING ORDERS OR STRATEGIES

Under certain trading conditions it may be difficult or impossible to liquidate a position. This may occur, for example, at times of rapid price movement if the price rises or falls in one trading session to such an extent that under the rules of the relevant exchange trading is suspended or restricted. The placing of certain Orders (e.g. "stop-loss" or "stop limits" orders) that are intended to limit losses to certain amounts may not always be effected because market conditions or technological limitations makes it impossible to execute such Orders. Strategies using combinations of positions such as "spread" and "straddle" positions may be just as risky as or even riskier than simple "long" or "short" positions.

5. PRICES

The prices posted on Online Systems may not necessarily reflect the broader market. We will select closing prices to be used in determining Margin requirements and in periodically marking to market the positions in client accounts. Although we expect that these prices will be reasonably related to those available on what is known as the interbank market, prices we use may vary from those available to banks and other participants in the interbank market. Consequently, we may exercise considerable discretion in setting Margin requirements and collecting Margin funds.

6. OUTSIDE TRADING HOURS AND WEEKEND RISK

The trading hours usually are from **Sunday 22:00 GMT or BST (as applicable) to Friday 22:00 GMT or BST (as applicable)**, every week. CFDs may continue to be offered outside those trading hours. Please visit our Website for more details on operating times for each

CFD/Financial Instrument. We reserve the right to suspend or modify the operating hours at our own discretion as communicated in our Website or as otherwise notified to you. Various situations, developments or events may arise over a weekend (**Friday 22:00 GMT or BST (as applicable) to Sunday 22:00 GMT or BST (as applicable)**) or as informed by us to you from time to time) when the currency markets generally close for trading, that may cause the currency markets to open at a significantly different price from where they closed on Friday. There is a substantial risk that stop-loss Orders left to protect Open Positions held over the weekend will be executed at levels significantly worse than their specified price.

7. ELECTRONIC TRADING

Trading in over the counter ("OTC") transactions through Online Systems may differ from trading on other electronic trading systems as well as from trading in a conventional or open market. Clients that trade on an electronic trading system are exposed to risks associated with the system including the failure of hardware and software down time, with respect to Online Systems, the individual clients' systems and the communications infrastructure (for example the internet) connecting to Online Systems with clients.

8. CONTINGENT LIABILITY TRANSACTIONS

Contingent liability transactions which are margined require you to make a series of payments against the purchase price, instead of paying the whole purchase price immediately. You may sustain a total loss of the Margin you deposit with us to establish or maintain an Open Position. In the event the market moves against you, you may be called upon to deposit substantial additional Margin pursuant to **Section 11** (Margining Arrangements) at a short notice to maintain the Open Position. If you fail to do so within the time required, your Open Positions may be liquidated without prior notice at a loss and you will be liable for any resulting deficit. Even if the Transaction is not margined, it may still carry an obligation to make further payments in certain circumstances over and above any amount paid when you entered into the Transaction. Contingent liability transactions, which are not traded on or under the rules of a recognised or designated investment exchange, may expose you to substantially greater risk.

9. COLLATERAL

You should only engage in precious metals, commodities, CFDs or Rolling Spot Forex trading if you are prepared to accept a high degree of risk outlined but not limited to the risks provided for in this Notice. You must be prepared to sustain a total loss of all amounts you may have deposited with us as well as any losses, charges (such as interest) and any other amounts (such as costs) we incur in recovering payment for you.

If you deposit collateral as security with your firm, the way in which it will be treated will vary according to the type of transaction and where it is traded. There could be significant differences in the treatment of your collateral, depending on whether you are trading on a recognised or designated investment exchange, with the rules of that exchange (and the associated clearing house) applying, or trading off-exchange. Deposited collateral may lose its identity as your property once dealings on your behalf are undertaken. Even if your dealings should ultimately prove profitable, you may not get back the same assets which you deposited, and may have to accept payment in cash. You should ascertain from your firm how your collateral will be dealt with.

10. COMMISSIONS

Before you commence trading, you should obtain details of all commissions and other charges for which you will be liable. In the event any charges are not expressed in monetary terms (but, for example, as a dealing spread), you should obtain a clear written explanation, including appropriate examples, to establish what such charges are likely to mean in specific monetary terms.

11. INSOLVENCY

Any insolvency or default may lead to Open Positions being liquidated or closed out without your consent. Additionally, you transfer full ownership and title to a portion the funds you deposit with us representing an amount necessary to secure your Open Positions which will be calculated daily in our sole discretion based on your daily Open Positions and which may be greater than the Margin required to maintain your Open Positions, as market conditions may dictate, such that you will not have a proprietary claim over that portion of the funds and that portion will not be segregated. You will therefore rank only as a general or unsecured creditor of us with respect to any claim for the payment of such portion of the above described funds you deposit which may therefore be irrevocable in the event of any insolvency or default.

12. OTHER TERMS

All other capitalised terms in this **Schedule 2** shall have the meaning given to them in **Section 1** (Interpretation and Glossary) of this Agreement.

SCHEDULE 3 - CONTRACTS FOR DIFFERENCE RISK DISCLOSURE

This Contract for Difference Notice ("CFD Notice") is provided to you in compliance with Applicable Regulations. This CFD Notice will provide you with information about the nature and risks of CFDs; however, it cannot explain all of the risks nor how such risks relate to your personal circumstances. If you are in doubt you should seek independent professional advice, as it is important that you fully understand the risks involved before making a decision to enter into a trading relationship with us.

For the purpose of this CFD Notice, any reference to "Online Systems" shall also include any External Platform(s) unless the context requires otherwise.

CFDs are high risk investments, which are not suitable for many members of the public. Trading CFDs can carry a high risk to your capital as prices may move rapidly against you, and if you invest on leverage, you can lose more than your initial deposit and you may be required to make further payments.

In the event you choose to enter into a trading relationship with us, it is important that you remain aware of the risks involved, that you have adequate financial resources to bear such risks and that you monitor your positions carefully.

1. APPROPRIATENESS AND SUITABILITY

In accordance with the Applicable Regulations, Magnasale is entitled to assume that a Professional Client has the necessary experience and knowledge in order to understand the risks involved in relation to those particular investment services or Transactions, or types of Transactions and products, for which the client is classified as a Professional Client. As such no appropriateness assessments will be conducted in respect of Professional Clients. As no investment advice is provided to Professional Clients, no suitability assessments will be conducted in respect of Professional Clients.

Furthermore, in accordance with the Applicable Regulations, Magnasale is not obliged to, and it will not conduct appropriateness assessment, in respect of Eligible Counterparties. As no investment advice is provided to Eligible Counterparties, no suitability assessments will be conducted in respect of Eligible Counterparties.

Please note that we will not be able to take your borrowing or leverage into account in assessing your investment risk appetite or capacity. You should be aware that leverage and Margined Transactions dramatically increase the risk of investments in Financial Instruments, particularly where large Transactions can be taken in reliance on a small amount of Margin as is common when dealing with Margined Transactions.

Any decision on whether or not to open an Account and whether or not you understand the risks is yours. We do not monitor on your behalf whether the amount of money you have transferred to us or whether your profits and losses are consistent with your financial assets and earnings. It is left up to you to assess whether your financial resources are adequate and what level of risk to take

2. NO ADVICE

Magnasale does not provide the MiFID investment service of "investment advice" and as such it does not provide investment, tax, legal, regulatory, or financial advice relating to investments or possible transactions in investments. Any information we provide to you is purely factual and does not take into account your personal objectives, financial situation or needs.

Accordingly, you should consider carefully trading CFDs with us and the appropriateness of it taking into account your personal circumstances, and where in doubt ensure to obtain independent professional advice from a suitable professional advisor on any such matter before trading with us. Nothing in this CFD Notice should be taken as a recommendation to trade in CFDs.

This Agreement contains a provision by which you agree that you enter into all Transactions in reliance with your own judgement, and that we will not be liable for any inaccuracy or mistake in any information we give you in the absence of gross negligence, wilful default or fraud.

3. GEARING AND LEVERAGE

Before you enter into a CFD Transaction with us we will generally require you to lodge funds with us as Margin. Margin will usually be a relatively modest proportion of the overall contract value (10% of the contract value for example). This means that you will be using "leverage" or "gearing" which can work for or against you. A small price movement in your favour can result in high return on the Margin placed for the Transaction, but a small price movement against you may result in substantial losses.

4. ADDITIONAL DEPOSITS

At all times during which you have Open Positions, you must ensure that your Account balance, taking into account all running profits and losses, is equal to at least the total Margin that we require you to have paid us. Therefore, if the Account moves into deficit you have two options. You can either reduce your Open Positions in order to reduce your Margin requirement or you may be required to provide us with substantial additional Margin, at short notice, to maintain your Open Positions. If you do not do this, we will be entitled to close one or more or all of your Open Positions, and you will be responsible for any losses incurred.

You should also be aware that under the terms of this Agreement, we are entitled to increase the Margin requirements without prior notice to you. If we do so, you may be required to deposit additional funds into your Account to cover the increased Margin requirements. In the event you do not do this, we will be entitled to close one or more or

all of your Open Positions without prior notice, and you may therefore with adverse Market movements suffer a loss of your whole Margin and more, so you will owe funds to us.

You should therefore ensure to not enter into any CFD Transactions in sizes that are so large that you are not sure that you will be able to deposit any additional funds into your Account with us.

5. NEED TO MONITOR OPEN POSITIONS

Due to the effect of gearing and leverage and therefore the speed at which profits or losses can be incurred, it is important that you at all times monitor your Open Positions closely. It is your responsibility to monitor your Open Position and whilst you have Open Positions you should always be in a position to do so.

6. OVER THE COUNTER DERIVATIVES

When you enter into a Transaction with us through Online Systems, you will be entering into an off-exchange (also known as an “over the counter” or “OTC”) derivative transaction. Transactions in an off-exchange derivative may involve greater risk than investing in an on-exchange derivative as there is no exchange market on which to close out an Open Position. The prices and other conditions are set by us, subject to any obligations we have to act reasonably and in accordance with this Agreement. Each Transaction you enter into using Online Systems results in you entering into a Transaction directly with us, and therefore each Transaction can only be closed with us and are not transferable to any other person.

Please note that CFDs are not suitable for the long term investor. It is inherent in the nature of an OTC derivative transaction, that such investment is not readily realisable and as such, the investment may be difficult to realise or sell, as such instruments are non-transferable. As such, reliable information about the true value or extent of the risks to which such an investment is exposed is not readily available. If you hold a CFD Open Position for a long period of time, the associated costs increase and it may be more beneficial to buy the underlying instrument instead.

Furthermore, it must be borne in mind that the inherent nature of CFDs means that they are not suitable for an investor seeking regular income, as the profit from those investments may fluctuate.

7. NO RIGHT TO THE UNDERLYING INSTRUMENT

CFD Transactions do not provide any right to the underlying instruments or, in the case of CFD references to shares, to voting rights.

8. FLUCTUATIONS IN THE UNDERLYING MARKET

CFDs are Financial Instruments that allow you to speculate on price movements in underlying markets. Although the prices which you trade CFDs are set by us, our prices are derived from the underlying Market. It is important therefore that you understand the risks associated with trading in the relevant underlying market as

fluctuations in the price of the underlying Market will affect the profitability of your Transaction. Some of such risks include:

- 8.1. **Currency:** In the event you trade in a Market other than your base currency Market, currency exchange fluctuations will impact your profits and losses.
- 8.2. **Volatility:** Movements in the price of the underlying Markets can be volatile and unpredictable. This will have a direct impact on your profits and losses. Knowing the volatility of an underlying Market will help guide you as to where any stop orders should be placed.
- 8.3. **Gapping:** Gapping is a sudden shift in the price of an underlying Market from one level to another. Various factors can lead to gapping (for example, economic events or Market announcements) and gapping can occur both when the underlying Market is open and when it is closed. When gapping occurs when the underlying Market is closed, the price of the underlying Market when it opens (and therefore our derived price) can be markedly different from the closing price, with no opportunity to close your Transaction in between. Gapping can result in a significant loss (or profit).
- 8.4. **Market Liquidity:** In setting our prices, spreads and the sizes in which we will deal, we will take account of the Market or Markets for the relevant underlying instruments. Market conditions can change significantly in a very short period of time, so that if you wish to close an Open Position we might not be able to do so under the same terms as when you opened the position.

The list above is non-exhaustive and is merely intended to provide a general overview of the possible market risks.

9. COSTS AND CHARGES

Before you commence trading CFDs with us, you should obtain details of all commissions and other charges for which you will be liable. Our costs and charges will be provided to you by email or set out in Online Systems. Please ensure that you fully understand the terms of the costs and charges as they affect your profitability.

10. OPERATIONAL RISKS

Operational risks with Magnasale are inherent in every CFD transaction. Disruptions in Magnasale’s operational processes, such as communications, computers, networks or external factors may cause delays in the execution and settlement of orders. Magnasale does not accept or bear any liability whatsoever in relation to its operational processes, except to the extent they were caused by negligence, wilful default or fraud.

11. OTHER TERMS

All other capitalised terms in this Schedule 3 shall have the meaning given to them in Section 1 (Interpretation and Glossary) of this Agreement.

You should only engage in CFDs trading if you are prepared to accept a high degree of risk outlined but not limited to the risks provided for in this CFD Notice. You must be prepared to sustain a total loss of all amounts you may have deposited with us as well as any losses, charges (such as interest) and any other amounts (such as costs) we incur in recovering payment for you.

SCHEDULE 4 - ADDITIONAL TERMS FOR CLIENTS TRADING CONTRACTS FOR DIFFERENCE

For the purpose of this Schedule 4, any reference to “Online Systems” shall also include any External Platform(s) unless the context requires otherwise.

1. APPLICATION AND SCOPE

- 1.1. This **Schedule 4** applies for clients trading CFD Transactions. This Schedule supplements:
 - 1.1.1. Any relevant Additional Agreement between you and us; and
 - 1.1.2. The other parts of this Agreement.
- 1.2. Any references to trading CFD Transactions, placing CFD Orders, opening and closing positions shall be deemed to be made through Online Systems.
- 1.3. In the event of a conflict between this **Schedule 4** and any Additional Agreement or any other part of this Agreement, this Schedule shall prevail in relation to trading CFDs.
- 1.4. **Sections 7** (Adjustments, Take-over Offers & Suspensions) to **Section 8** (Nationalisation and Insolvency) are only applicable for clients trading CFD Transactions on Securities.
- 1.5. **Section 9** (Exchange Suspensions and Delisting) is only applicable for clients trading CFD Transactions on Financial Instruments.

2. SERVICES

- 2.1. We deal with you only after you have requested a quote for a CFD Transaction, we have quoted a price and you have given a specific instruction or Order to open a CFD Transaction at the price quoted by us.
- 2.2. You acknowledge and agree that unless otherwise agreed in writing you will not be entitled to delivery of, or be required to deliver, the Financial Instrument to which the CFD relates. Nor will you acquire any interest in the relevant Financial Instrument or be entitled to receive dividends or any equivalent thereof, or exercise voting rights, to receive any rights pursuant to any rights or bonus issue or participate in any placing or open offer by virtue of your CFD Instrument which is a Security. The payment of any dividend or occurrence of any rights or bonus issue, placing, open offer or take-over in respect of a Security shall be dealt with in accordance with this Agreement.

3. OBTAINING A QUOTE AND ORDER PLACEMENT

- 3.1. At any time you wish to enter into a CFD Transaction, or to close all or part of a CFD Transaction, you may request a quote to open a CFD Transaction with us during the normal hours of trading for the relevant CFD Instrument. We at our sole discretion can provide quotes outside normal hours of trading if requested by you.

- 3.2. CFD Transactions will be initiated by you placing a CFD Order offering to enter into a CFD Transaction in respect of a CFD Instrument at the price quoted to you.

- 3.3. Each CFD Order must be an instruction to “buy” or “sell”. A “buy” CFD Transaction may also be referred to as a “long” or “long position” and a “sell” CFD Transaction may also be referred to as a “short” or “short position”.

4. ACCEPTANCE OF ORDERS AND OPENING OF CFD TRANSACTIONS

- 4.1. You may cancel your CFD Order at any time by notice to us unless and until the CFD Order has been executed in whole or in part, only if a CFD Order is an Entry Order. In the event a CFD Order is a Market Order it will not be possible for you to cancel the CFD Order at any time.

- 4.2. For Accounts using the “non-hedging” setting:

Where you give an Order:

- a) to open a long position in relation to a CFD Instrument on an Account where you at that time already have a short position in relation to the same CFD Instrument on that Account; or
- b) you give a CFD Order to open a short position in relation to a CFD Instrument where you already have a long position in relation to that CFD Instrument,

then we will treat your instruction to open the new CFD Transaction as an instruction to close the existing position to the extent of the size of the new CFD Transaction. If the new CFD Transaction is greater in size than the existing CFD Transaction, then the existing CFD Transaction will be closed in full and a CFD Transaction will be opened in relation to the excess size of the new CFD Transaction.

- 4.3. For Accounts using “hedging” setting: You may open a position by providing us with a CFD Order. Your request to open a new position will not close current Open Positions.

5. CLOSING A CFD TRANSACTION

- 5.1. On a Business Day on which either of us wishes to close any CFD Transaction (whether in whole or in part) either of us may give a Closing Notice to the other specifying the CFD Transaction it wishes to close, the related CFD Instrument, the CFD Quantity and the Closing Date.
- 5.2. Any Closing Notice served by you shall take effect immediately subject to prevailing Market conditions.
- 5.3. Any Closing Notice served by us subject to **Section 5.1** of this **Schedule 4** shall take effect **two (2) Business Days** following the giving of the Closing Notice.
- 5.4. Following receipt of a Closing Notice, we shall inform you of the Closing Price of the CFD Transaction and the CFD Transaction will be closed on that price on the Closing Date. Any amounts payable by either part to the CFD Transaction are immediately due and payable on closing and shall be paid on the Contract Settlement Date.
- 5.5. In addition to our rights in **Section 13** (Events of Default) of the Agreement and our rights pursuant to **Section 5.1** of this **Schedule 4** to serve a Closing Notice, we may in our sole discretion close any CFD Transaction at any time without prior notice in the event that:
 - 5.5.1. It is a “sell” CFD Transaction, and due to illiquidity in the relevant CFD Instrument we are unable to borrow a sufficient number of such CFD Instruments to settle any underlying hedge position in respect of the CFD Transaction; or
 - 5.5.2. We are required, at any time, to a lender to return any CFD Instrument, borrowed by us which relates to a CFD Transaction and we are then unable to maintain a hedge position in respect of that CFD Transaction; or
 - 5.5.3. At any time we are unable to establish or maintain a hedge position in respect of a CFD Transaction; or
 - 5.5.4. You fail to honour a Margin Call in accordance with **Section 11** of the Agreement (Margining Arrangements); or
 - 5.5.5. The Agreement is terminated.

6. CALCULATIONS

- 6.1. We shall determine any Closing Price required as soon as reasonably practicable after the Closing Date to reflect the economic effect (and anticipated economic effect) on us of the event giving rise to the Closing Date including without limitation:
 - 6.1.1. The effect (and anticipated effect) of such event on the value, transferability, liquidity and/or volatility of the CFD Instrument;
 - 6.1.2. The effect (and anticipate defect) of such event on any hedge, contract or other trading position relating to the CFD Transaction which we have or have had in place or may reasonably have put in place;

6.1.3. The effect (and anticipated effect) of such event on the value, transferability, liquidity and/or volatility of such hedge, contract or other trading position we have or have had in place; and

6.1.4. Any costs we incur (and anticipate incurring) in terminating, liquidating or re-establishing any hedge, contract or other such trading position we have or have had in place.

7. ADJUSTMENTS, TAKE-OVER OFFERS & SUSPENSIONS

- 7.1. If any Securities becomes subject to possible adjustments as the result of any of the events set out in **Section 7.3** below, we shall determine the appropriate adjustment, if any, to be made to the Current CFD Transaction Value or CFD Quantity of any related CFD Transaction to account for the dilutive or concentrative effect as necessary to preserve the economic equivalent of the CFD Transaction prior to the relevant event or to reflect the effect of the event on the relevant Securities.
- 7.2. Any such adjustments as described in **Section 7.1** of this **Schedule 4** above will be effective as of the date determined by us.
- 7.3. The events to which **Section 7.1** of this **Schedule 4** refers may include without limitation the declaration by the issuer of the Securities of the terms of any of the following:
 - 7.3.1. A subdivision, consolidation or reclassification of shares, or a free distribution of shares to existing holders by way of bonus, capitalisation or similar issue;
 - 7.3.2. Distribution to existing holders of the underlying Securities of additional shares, other share capital or Securities granting the right to payment of dividends and/or proceeds of liquidation or the issuer, or Securities, right or warrants granting the right to a distribution of shares or to purchase, subscribe, or receive shares, in any case for payment (in cash or otherwise) at less than the prevailing Market price per share; and/or
 - 7.3.3. Any event in respect of the Securities analogous to any of the foregoing events or otherwise having a dilutive or concentrative effect on the Market value of the Security.
- 7.4. If at any time a Merger Event occurs or a Take-over Offer is made in respect of any relevant CFD Transaction Securities, then on or after the date of the Merger Event or at any time prior to the Closing Date of such Take-over Offer, a Calculation Adjustment may be made. Calculation Adjustment means that we shall either:
 - 7.4.1. Make such adjustment to the exercise, settlement, payment or any other terms of the Transaction as we may determine appropriate to account for the economic effect, if any, on the CFD Transaction Securities of such Merger Event or Take-over Offer (provided that no adjustments will be made to account solely for changes in volatility) expected dividends, stock loan rate or liquidity relevant to the CFD Transaction Securities or to the Transaction, which may, but is not required to, be determined by

reference to adjustments made in respect of such Merger Event or Take-over Offer by an exchange to futures or options on the relevant CFD Transaction Securities traded on such exchange; or

- 7.4.2. Determine the effective date of that adjustment (if any).

- 7.5. In the event we determine that no adjustment could be made under **Section 7.4** of this **Schedule 4** above which would produce a commercially reasonable result, we will issue a Closing Notice to you. The date of such Closing Notice will be the Closing Date. The Closing Price shall be such price as is notified by us to you. For the purposes of this **Section 7**, Merger Event means in respect of any CFD Transaction Securities:

- 7.5.1. Any reclassification or change of the CFD Transaction Securities that results in a transfer of or an irrevocable commitment to transfer all outstanding Securities of the same class as the CFD Transaction Securities to another entity or person (other than a consolidation amalgamation, merger or binding share exchange in which such issuer is the continuing entity and which does not result in a reclassification or change of all such CFD Transaction Securities outstanding);

- 7.5.2. Take-over Offer of the outstanding CFD Transaction Securities of the issuer that results in a transfer of or an irrevocable commitment to transfer all of them; or

- 7.5.3. Consolidation, amalgamation, merger or binding share exchange of the issuer of the relevant CFD Transaction Securities or its subsidiaries with or into another entity in which the issuer is the continuing entity and which does not result in a reclassification or change of all such CFD Transaction Securities (other than CFD Transaction Securities owned or controlled by such other entity) immediately prior to such event collectively representing less than 50% of the outstanding CFD Transaction Securities immediately following such event (a "**Reverse Merger**").

8. NATIONALISATION AND INSOLVENCY

- 8.1. If all the shares, or all or substantially all the assets, of an issuer, a Securities of which represents all or part of the CFD Transaction Securities of a CFD Transaction, are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof, the day on which such event occurs, or is declared shall be the Closing Date. The Closing Price shall be such price as is notified by us to you.

9. EXCHANGE SUSPENSIONS AND DELISTING

- 9.1. If at any time trading on an exchange Market is suspended in any CFD Instruments which forms the subject of a CFD Transaction we shall calculate the value of the CFD Transaction with reference to the last traded price before the time of suspension, or the Closing Price if no trading in that Financial Instrument is undertaken during the Business Day on which a suspension occurs. In the event that the

forementioned suspension continues for **five (5) Business Days**, we and you may in good faith agree on a Closing Date and a value of the CFD Transaction. In the absence of such agreement, the CFD Transaction shall remain open in accordance with the provisions of this **Section 9** until such time as the aforementioned suspension is lifted or the CFD Transaction is otherwise closed. During the term of a CFD Transaction, in the event that the CFD Instruments are suspended, we have the right to terminate the CFD Transaction at our discretion and to amend or vary Margin requirements and Margin rates.

- 9.2. In the event a Market on which a CFD Instrument is principally traded announces that pursuant to the rules of such Market the relevant shares have ceased, or will cease to be listed, traded or publically quoted on the Market for any reason (other than a Merger Event or a Take-over Offer) and are not immediately re-listed, re-traded or re-quoted on the Market or quotation system located in the same country as the Market (or where the Market is within the EEA), or already so issued, quoted or traded the day on which such an event occurs, or (if earlier) is announced, shall be the Closing Date. The Closing Price will be such price as notified to you by us.

10. CRYPTOCURRENCIES

- 10.1. When we make available to you pricing or liquidity to trade CFDs in Cryptocurrencies, you declare to be aware of and agree that:

- 10.1.1. Cryptocurrencies are virtual currencies which operate independently of banks and governments;

- 10.1.2. As any other CFD, Cryptocurrencies, are leveraged products, meaning that you may lose more than your initial deposit. Furthermore, by trading CFDs you accept a significantly higher risk of loss of your invested amounts which may occur within a very short time frame as a result of sudden adverse price movements of the Cryptocurrencies;

- 10.1.3. Cryptocurrencies are extremely volatile; the Cryptocurrencies are traded on non-regulated decentralised digital exchanges. Accordingly, price formation and price movements of the Cryptocurrencies depend solely on the internal rules of the particular digital exchange, which may be subject to change at any point in time and without notice. This often leads to a very high intra-day volatility in the prices of the Cryptocurrencies which may be substantially higher compared to other instruments;

- 10.1.4. The risk involved and that you have the experience and knowledge of trading CFDs in Cryptocurrencies.

- 10.2. We may at our sole discretion, via Online Systems or otherwise communicated by us to you, include, amend, add to, remove or extend any instruments(s) made available to you under the Cryptocurrencies offer and you shall monitor such availability.

- 10.3. You acknowledge and agree that it is your responsibility to understand how trading CFDs in Cryptocurrencies operates before you place any order with us and will not place an order unless you fully understand the terms and conditions attached to such order. Therefore, whether or not we accept an order is at our absolute discretion. You are also fully aware that not all orders may be partially or completely fulfilled; and that we may restrict the availability of certain orders, or regulate the execution of certain orders, or suspend the availability of the corresponding Cryptocurrency at our discretion and in particular during volatile market conditions. Furthermore, you are aware that we do not guarantee any order, if the pricing for the corresponding Cryptocurrency becomes unavailable, your order may be declined, rejected, not filled or experience delays in execution, in which case, we will not be held liable.
- 10.4. To the fullest extent permitted by law, we disclaim all representations or warranties of any kind as to the availability, operation and use of trading CFDs in Cryptocurrencies pricing and liquidity. For the avoidance of doubt, we shall not be responsible or take any liability for the pricing or absence of pricing of CFDs in Cryptocurrencies.
- 10.5. It is your sole responsibility to monitor your compliance with the rules, regulations, policies and procedures related to trading on CFDs in Cryptocurrencies in your own jurisdiction.
- 10.6. You must monitor our Website and the Online Systems, to keep yourself updated on the trading ours applicable to particular CFDs in Cryptocurrencies.

We may, in our sole discretion, assist you or any Counterparty in monitoring and ensuring adherence to applicable credit limits and you hereby authorise us to disclose information to any Counterparty for this purpose.

The manner in which such assistance, if any, is provided and the terms and conditions pursuant to which any such assistance is provided shall be determined by us in our sole discretion. Notwithstanding the foregoing, as between you on the one hand and us on the other hand, you shall maintain the sole responsibility for ensuring that you are in compliance with any credit limits imposed on you by any Counterparty and that each Counterparty is in compliance with any credit limits imposed on such Counterparty by you.

The availability of a Counterparty through Online Systems does not constitute any recommendation or other endorsement by us or any of our Affiliates of any Counterparty nor imply the desirability or creditworthiness of any Counterparty in respect of any Transaction.

- 10.4. **No Fiduciary or Investment Advisor Relationship:** You acknowledge and agree that, notwithstanding anything to the contrary herein, neither we nor any of our Affiliates are acting, in any capacity, as a fiduciary for or as an investment advisor to you in respect of any Transaction hereunder or otherwise. You acknowledge and agree that, to the extent consistent with applicable law, we and our Affiliates may receive compensation from any Counterparty or any other third party in respect of any Transaction effected through Online Systems. Neither we nor any of our Affiliates will have any duty to account to you for such compensation.

You acknowledge that we will not, and are under no duty to, provide advice in relation to any such Transaction or proposed Transaction through any of Online Systems. You agree that:

- 11.2. Provisions of Online Systems do not make us an advisor or fiduciary for you or your managed or fiduciary accounts. This **Annex 1** does not constitute an offer to sell or solicitation of an offer to buy securities or other Financial Instruments.

12. INTELLECTUAL PROPERTY RIGHTS

- 12.1. You acknowledge and agree that we are the sole owner (except to the extent owned by third party licensors and except to the limited extent licensed by us to any other financial institutions and their clients) of all rights, titles and interests (collectively the "IP Rights") in and to Online

13. INDEMNITY BY YOU

- 13.1. You will indemnify us and our Related Parties against all Losses arising from your use of Online Systems and any claims by a third party in relation to your use of the Online Systems, except to the extent caused by our gross negligence, fraud or wilful misconduct.

14. INDEMNITY BY US

- 14.1. If any third party claims that your use of Proprietary Online Systems in accordance with this **Annex 1** infringes its IP Rights (an "IP Claim"), and you:

14.1.1. notify us promptly of any actual, or threatened IP Claim;

14.1.2. do not make any admission of liability;

14.1.3. assist us in responding to the IP Claim; and

14.1.4. allow us to control all discussions and all litigation relating to the IP Claim,

then we will indemnify you against damages finally awarded against you and reasonable legal expenses incurred by you in dealing with the IP Claim except to the extent that the IP Claim arises as a result of (a) the combination by you or your agents of any of Online Systems with other technology if such claim would have been avoided absent such combination, or (b) modification by you or your agents of Online Systems.

- 14.2. This **Section 14** states our entire obligation and your sole remedy regarding intellectual property infringements.

15. DISCLAIMER

15.1. Save as expressly set out in this **Annex 1**, access to Online Systems is provided “as is”. We and our Related Parties make no warranty, representation or other assurance in connection with Online Systems, including as to availability, accuracy, completeness, results, functionality, reliability, performance, timelines, non-infringement, suitability, quality, merchantability, fitness for a particular purpose or otherwise. 20. CONFIDENTIALITY, PRIVACY, DATA PROTECTION AND NO PROMOTION

- 20.1. Without the other's consent, neither party shall disclose or use for any purpose except as contemplated under this **Annex 1**, the terms of this Agreement or the relevant Additional Agreement any information disclosed to it by the disclosing party in connection with Online Systems, except to the extent that such information is:
- 20.1.1. already available in the public domain, other than as a result of breach of an agreement between you and us; or
 - 20.1.2. required to be disclosed under Applicable Regulations or court order; or

We may store and use the contact details of Authorised Users and Security Administrators in countries worldwide (including countries outside the EEA). Neither you nor we shall make any public announcements relating to your use of Online Systems without the other's prior written consent.

You will not, without our prior written consent in each instance, (a) use in advertising, publicity, monitoring or other promotional materials or activities, the name, trade name, trademark, trade advice, service mark, symbol or any abbreviations, contraction or simulation thereof, of Magnasale or our Affiliates or their respective partners or employees, or (b) represent directly or indirectly that any product or any service provided by you has been approved or endorsed by us. This **Section 20** shall survive termination of this Agreement.

22. AMENDMENTS

- 22.1. We may amend this **Annex 1** by **ten (10) or more Business Days'** written notice to you (or immediately if a change is required under Applicable Regulations).

23. THIRD PARTY RIGHTS

- 23.1. This **Annex 1** is for the benefit of us, Related Parties, our suppliers, our agents and you. No other third party has rights under this **Annex 1**.

24. FURTHER ASSISTANCES

- 24.1. You shall promptly cooperate with any reasonable request we may make to give full effect to this **Annex 1** and any Instruction and to protect our Related Parties' rights in Online Systems.

25. ARBITRAGE

- 25.1. Internet, connectivity delays, and price feed errors sometimes create a situation where the prices displayed on Online Systems do not accurately reflect the market rates. The concept of "arbitrage" and "scalping", or taking advantage of these Internet delays, cannot exist in a Market where the client is buying or selling directly from the market maker. We do not permit the practice of arbitrage on Online Systems. Transactions that rely on price latency arbitrage opportunities may be revoked. We reserve the right to make the necessary corrections or adjustments on the Account involved. Accounts that rely on arbitrage strategies may at our sole discretion be subject to our intervention and our approval of any orders. Any dispute arising from such quoting or execution errors will be resolved by us in our sole and absolute discretion.
- 25.2. We shall have any obligation to contact you and advise you upon appropriate action in light of changes in market conditions or otherwise. You acknowledge that the Market is highly speculative and volatile and that, following execution of any transaction, you are solely responsible for making and maintaining contact with us for the purpose of monitoring the position and ensuring that any further instructions are given on a timely basis. In the event of any failure to do so, we can give no assurance that it will be possible for them to contact you and we accept no liability for loss alleged to be suffered as a result of any failure by you to do so.
- 25.3. You agree to indemnify and hold us, our Affiliates, and any of our/their directors, officers, employees and agents harmless from and against any and all liabilities, losses, damages, costs and expenses, including legal fees, incurred in connection with the provision of the services under this **Annex 1** to you provided that any such liabilities, losses, damages, costs and expenses have not arisen for our negligence, fraud or wilful default.

26. TERMINATION

- 26.1. This **Annex 1** is effective until terminated by either party upon written notice to the other. We may suspend, limit or terminate your access to all or part of Online Systems (with or without cause or notice).

27. EXTERNAL PLATFORMS

- 27.1. The following additional provisions apply to clients utilising our external platforms, including but not limited to MT4 platform (the “**External Platform**”). If you utilise the External Platform, you acknowledge and agree to the following additional terms and conditions and authorise us to act accordingly by signing and returning the Notice Letter.
- 27.2. You wish to utilise the External Platform to execute trades and to direct trade orders and trade details to us. When you are utilising the External Platform you will not be entering trade orders and trade details directly with us, but rather will be entering trade orders and trade details via the External Platform through a third party. You hereby authorise and direct us to enter trades for your Account in accordance with trading signals generated and sent to us by the External Platform.
- 27.3. You fully understand that trade orders and trade details are generated by the External Platform and not by us and that our responsibility is to use commercially reasonable efforts to enter orders pursuant to the trade orders and trade details generated by the External Platform as received by us. You confirm that we have not solicited, or in any other way recommended your participation on the External Platform. You have made your own inquiries and conducted research into the External Platform sufficient to make an informed investment decision. We cannot imply or guarantee that you will make any profits from the External Platform and you agree that we will not be held responsible in any way for the External Platform’s performance or any trading losses incurred on your Account as a result of trading pursuant to the External Platform.
- 27.4. We will enter trade orders for your Account in accordance with the trade orders and trade details generated by the External Platform. You understand that your trading access through the External Platform will be provided by the External Platform provided and not us.
- 27.5. When utilising the External Platform, you will have access to Trade Confirmations on the External Platform. Where you have been granted access to both the External Platform and Online Systems, and in the event of any discrepancy between the two Trade Confirmations, Online Systems Trade Confirmation takes priority unless otherwise notified to you by us, and this shall include (but is not limited to) all Margin calculations and liquidations.
- 27.6. In the event a liquidation of your Account takes place on Online Systems, this will not be reflected in the External Platform Trade Confirmation, and you acknowledge and agree that it is your responsibility to monitor the Trade Confirmations closely at all times. You furthermore acknowledge and agree that we shall not be under further obligation to notify you of any further discrepancies between the Trade Confirmations, and shall furthermore and in all cases have the right to reduce or liquidate your positions based on Online Systems Trade Confirmation without further notification to you.
- 27.7. We shall not be responsible for any error or malfunction of the External Platform, mechanical or communication failure, systems errors, data failure or any other causes beyond our control. You acknowledge that we can accept and execute orders only if they are actually received or generated.
- 27.8. You understand that there is no trading system or recommendations service, including the External Platform

that is free from risk of loss. We therefore do not imply or in any way guarantee that you will make a profit and you agree that neither we nor any of our Associates, officers, directors, employees, consultants, agents or Affiliates will be held responsible for the performance of the External Platform or trading losses on your Account.

- 27.9. We may terminate the authorisation over the External Platform at any time for any reason in our sole discretion and will provide you with notice of this as soon as reasonably possible. You shall be responsible for any open positions in your Account at the time the External Platform is terminated. You shall permit for us to execute offsetting order for any open position in your Account at the time this External Platform is terminated, or your termination of this Agreement.
- 27.10. You agree that, in the absence of gross negligence, wilful default or fraud, neither we, nor any of our Associates, officers, directors, employees, consultants, agents or Affiliates will be held liable for any act or omission in the course of or in connection with your participating in the External Platform. You shall indemnify us, our principals, officers, directors, employees, agents, successors and/or assignees from all losses and/or liability (including reasonable attorney’s and or accountant’s fees) incurred or resulting from this authority granted to us under this provision, to utilise the External Platform, provided that there has been no judicial determination that such liability was the result of gross negligence, wilful default or fraud by us, and further provided that the conduct that was the basis for such liability was not undertaken in the actual or reasonable belief that it was in your best interest.

28. MISCELLANEOUS

- 28.1. This **Annex 1**, the Agreement and any of our guidelines are the parties’ entire agreement and supersede all previous agreements on the matters covered by this **Annex 1**. The following Sections of this **Annex 1** shall survive termination howsoever caused of this **Annex 1**:
- 28.1.1. **Sections 10 to 15** (inclusive),

- 28.1.3. **Section 20** (Confidentiality, Privacy, Data Protection and No Promotion); and

ANNEX 2 - MARGINING

1. SCOPE

- 1.1. This **Annex 2** supplements **Section 14** (Netting) of this Agreement.

2. TRANSFER AND RETURN OBLIGATIONS

- 2.1. **Transfer:** In respect of each Valuation Date, if the amount of the Margining Requirement exceeds the Value of the Transferred Margin, then you will immediately Transfer to us Acceptable Margin having Value as of the date of the Transfer at least equal to the applicable Margin Delivery Amount (rounded up to the nearest integral multiple). Unless otherwise agreed or prevented by local regulations or law.
- 2.2. **Return:** Upon a demand made by you on or promptly following the Valuation Date, if the Value of the Transferred Margin exceeds the amount of the Margining Requirement, then we will Transfer to you such Equivalent Margin having a Value as of the date of Transfer as close as practicable to the applicable Margin Return Amount (rounded down to the nearest integral multiple).
- 2.3. **Redelivery Obligation:** On the later of (a) the date of termination of this Agreement and (b) when we determine that no obligations are outstanding from you to us, we will also Transfer to you Equivalent Margin having a Value as of the date of Transfer equal to the Margin Return Amount calculated as if the Margining Requirement were then zero.
- 2.4. **Cash Collateral:** All cash placed by you with us being treated by us as collateral, shall be deemed to constitute Transferred Margin.
- 2.5. **Net Obligations:** We shall not be obliged to Transfer Applicable Margin to you if you have a net exposure to us. You agree that all margining will be "one way" for our benefit.

3. DIVIDENDS AND INTEREST AMOUNT

- 3.1. **Dividends:** We will treat any cash, securities or other property of the same type, nominal value, description and amount as the relevant Dividends (less any deductions on account of any tax) ("**Equivalent Dividends**") as an addition to the Transferred Margin. "Dividend" means all payments and distributions of cash or other property which a holder of securities or the same type, nominal value, description and amount as securities comprised in the Transferred Margin receives on any Business Day.
- 3.2. **Interest:** We will also treat an amount equal to any interest payable on the principal amount of any cash comprised in the Transferred Margin ("**Interest**") as an addition to the Transferred Margin, unless agreed otherwise between us and you, no interest is payable by us on any Transferred Margin transferred by you. You agree that, if Interest is deemed to be negative for any reason, then it will be treated as a deduction from the Transferred Margin.

- 3.3. **Payment of Dividends and Interest:** We will Transfer to you, on the **first Business Day** after receipt of any Dividend or the Business Day on which any applicable Interest becomes payable, any Equivalent Dividends or Interest, provided that we reasonably consider that to do so would not require a Margin Delivery Amount to be transferred if that Business Day were a Valuation Date.

4. SUBSTITUTIONS

- 4.1. **Substitution:** You may, with our prior written consent, Transfer new Acceptable Margin to us in substitution for the Transferred Margin having the same nominal value and of the same amount as determined by us, as such new Acceptable Margin, whereupon we will Transfer to you Equivalent Margin in respect of the Transferred Margin being substituted.

5. DEFAULT

- 5.1. **Default:** If a Liquidation Date is specified or deemed to occur as a result of an Event of Default, the Default Margin Amount as at that date will be taken into account when determining the relevant Liquidation Amount. For this purpose, "Default Margin Amount" means the amount, calculated in our Base Currency of the aggregate value as at the relevant Liquidation Date (as determined by us) of the Transferred Margin.

6. GROSS UP

- 6.1. **Gross-up:** All payments by you under this **Annex 2** will be made free of and without withholding or deduction for any Taxes, duties, assessments or governmental charges of whatsoever nature imposed, withheld or assessed by any relevant tax authority, unless required by law, in which case you shall pay such additional amounts as will result in the receipt by the payee of an amount which it would have received had no deduction or withholding been made.

7. REPRESENTATIONS AND TRANSFER OF TITLE

- 7.1. **Encumbrances:** Each party represents to the other party (which representation will be deemed repeated as of each date on which a Transfer of Acceptable Margin, Equivalent Margin, Equivalent Dividends or Interest is made) that it is the sole owner or otherwise has the right to Transfer all the aforementioned property, free and clear of any security interest, lien, encumbrance or other restriction.
- 7.2. **Clean Title:** Each party agrees that all right, title and interest in and to any Acceptable Margin, Equivalent Margin, Equivalent Dividends or Interest which it transfers to the other party shall vest in the recipient free and clear of any security interest, lien, charges, encumbrance or other restriction. Notwithstanding the use of the terms such as "Margin" which are used to reflect terminology used in the market for such transactions, nothing in these provisions is intended to create or does create in favour of either party mortgage, charge, lien, pledge, encumbrance or other

security interest in any Acceptable Margin, Equivalent Margin, Equivalent Dividends on Interest Transferred hereunder.

8. CALCULATIONS AND CONVERSION

- 8.1. **Calculations and Conversions:** All calculations shall be done by us in a commercially reasonable manner and shall, in the absence of manifest error, be binding. Whenever we conduct currency conversions for you, including conversions to or from your Base Currency, we will do so at such rate prevailing at the time of the calculation as we shall reasonably select. However, we reserve the right to convert any amount not denominated in USD to USD at the spot rate quoted in the European Central Bank (ECB) interbank market for the sale of USD against a purchase of that currency.
