The information provided here is for general information only. Our offering includes products that are traded on margin and carry a high degree of risk to your capital. It is possible to incur losses that exceed your initial investment. You should ensure that you fully understand the risks involved and seek independent advice if necessary. Any information provided shall not be construed as investment advice and has been prepared without taking your individual objectives and financial situation into account. CFDs are complex instruments and come with a high risk of losing money rapidly due to leverage. You should consider whether you understand how CFDs work and whether you can afford to take the high risk of losing your money.

Finalto Financial Services Limited is regulated in the UK by the Financial Conduct Authority (FRN: 481853).
